Description: This report provides an overview of how many times each agency responded to something within the Venue selected. This has nothing to do with who was primary, but instead how many times each agency responded to a call. Agencies that have been KCSO units responding one KOPS unit, and a WMAIDPS unit. This would generate one call tally for each agency. Likewise, a single unit traffic stop by MSP would generate a single tally for MSP. This report includes all (Law Enforcement, EMS, and Fire) disciplines. Note: ATUs, BDLs, and other administrative events are excluded.
